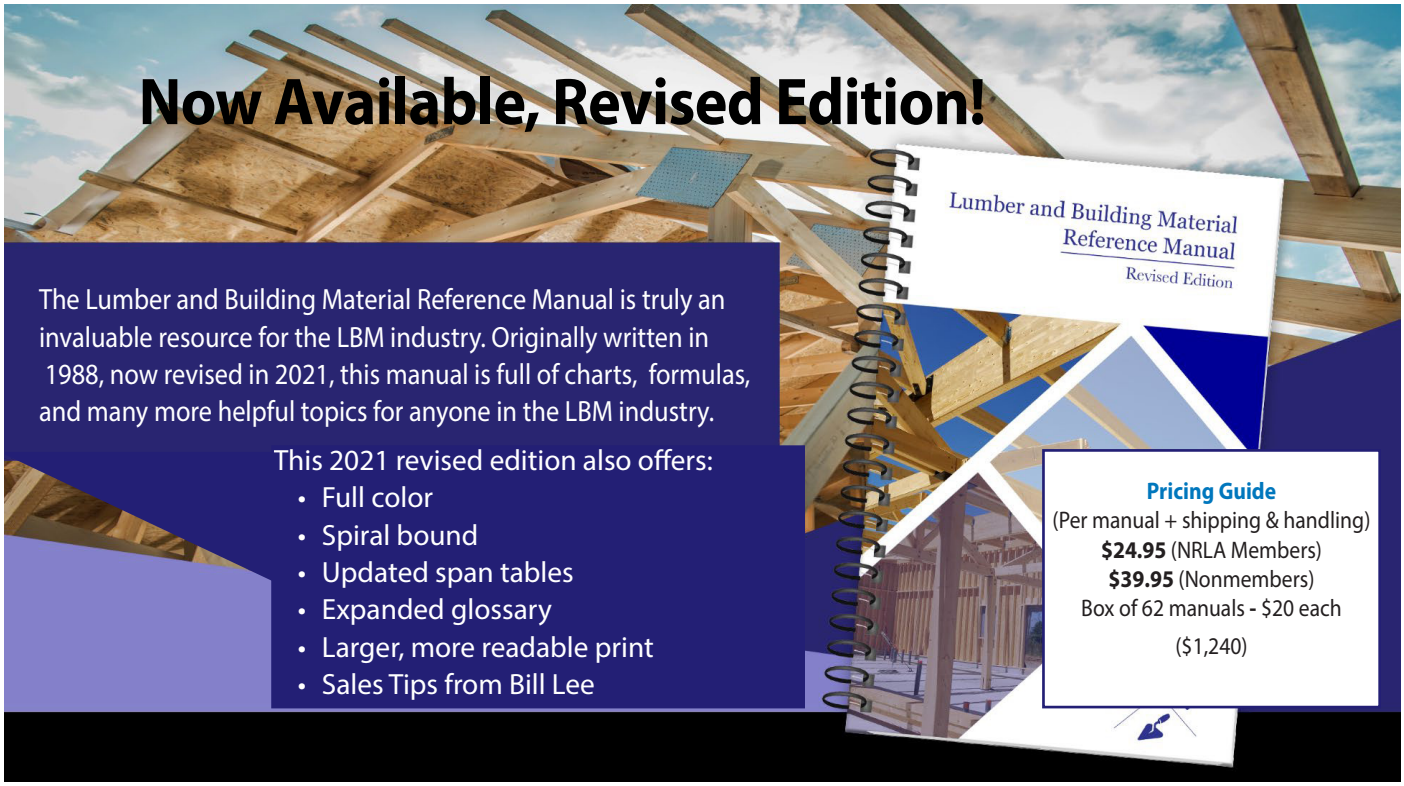
Northeastern Retail Lumber Association

Lumber and Building Material Reference Manual



The Lumber and Building Material Reference Manual is truly an invaluable resource for the LBM industry. Originally written in 1988, now revised in 2021, this manual is full of charts, formulas, and many more helpful topics for anyone in the LBM industry.

This 2021 revised edition also offers:

- Full color
- Spiral bound
- Updated span tables
- Expanded glossary
- Larger, more readable print
- Sales Tips from Bill Lee

Pricing Guide
(Per manual + shipping & handling)
$24.95 (NRLA Members)
$39.95 (Nonmembers)
Box of 62 manuals - $20 each
($1,240)
