

## CDL SELF-CERTIFICATION FORM

All Commercial Driver's License (CDL) holders are federally required to inform the Registry of Motor Vehicles (RMV) Division of MassDOT of the type of commerce in which they operate (interstate or intrastate), and whether or not they are required to hold a medical certificate. Failure to provide this information, known as self-certifying, prior to January 30, 2014 will result in the loss of the holder's CDL.

Please either print clearly or type					COMMERCIAL DRIVER INFORMATION						
DRIVER NAME	(last)	(first)	(middle)	BIRTHDATE (mm/dd/yyyy)							
ADDRESS (street)					(city)	(state)	(zip code)				
LICENSE/PERMIT NUMBER	DAYTIME TELEPHONE NUMBER			EMAIL ADDRESS							

Please select only one of the following self-certification categories. See page two (2) of this form for category definitions.

I certify my commercial driving is:

- |  |   |
|--|---|
| <input type="checkbox"/> Non-Excepted Interstate (NI)* | I engage in Interstate commerce and must meet the federal DOT medical card requirements   |
| <input type="checkbox"/> Excepted Interstate (EI)      | I engage in Interstate commerce and do not have to meet the DOT medical card requirements |
| <input type="checkbox"/> Non-Excepted Intrastate (NA)* | I engage in Intrastate commerce and must meet state driver qualification requirements     |
| <input type="checkbox"/> Excepted Intrastate (EA)      | I engage in Intrastate commerce and do not have to meet the DOT medical card requirements |

**\*If you selected the NI or NA category and do not have a W restriction on your license, you must fill out the medical certificate portion of this form on page two (2), and provide a copy of your medical certificate.**

If you have a federal medical variance or Skill Performance Evaluation Certificate (SPE), which is indicated on your medical certificate, you must also provide a copy of this documentation.

You should self-certify at the highest standard for which you qualify so as not to limit work opportunities. Non-excepted Interstate (NI) is the broadest category and the one you should select if you meet the criteria, even if you currently do not consider yourself an interstate driver.

*I hereby certify under the penalties of perjury that the information I provided in this CDL Self-Certification Form is true and complete.*

Signature of Driver Date

Customers who wish to obtain, or who currently hold, a Commercial Driver's License (CDL) that is being renewed, upgraded, or transferred from another state, will be required to self-certify at that time. This CDL Self-Certification Form and a copy of the medical certificate, if applicable, must be presented at the time of the transaction.

CDL drivers who will not be completing a transaction with the RMV between now and January 30, 2014, may self-certify and provide a copy of the medical examiner's certificate, if applicable, by mail, fax, or in-person at a branch office.

## Definitions of Self-Certification Categories

### Non-excepted Interstate (NI) -

- All Class A, B, or C privately or self-employed commercial drivers who operate or expect to operate in interstate commerce, and are subject to meet the federal medical standard and, therefore, are required to obtain a medical examiner's certificate
- All Class A, B, or C drivers who do not fall under any other category or who have been granted a federal vision or diabetes exemption or a Skill Performance Evaluation (SPE)

### Excepted Interstate (EI) -

- Drivers who operate or expect to operate in interstate commerce but engage exclusively in transportation or operations that are not required to meet all or parts of the federal qualification requirements and are, therefore, not required to obtain a medical examiner's certificate

Examples of EI Drivers include:

- City, municipal, or state employed Commercial Driver's License holders

### Non-excepted Intrastate (NA) -

- All Class A, B, or C privately or self-employed commercial drivers who only operate in intrastate commerce and are subject to state driver qualification requirements

Examples of NA Drivers include:

- Drivers 18-21 years of age with a K restriction associated with their license to operate
- Drivers 21 and over with a W Restriction associated with their license to operate

### Excepted Intrastate (EA) -

- Drivers who operate in intrastate commerce but engage exclusively in transportation or operations that are not required to meet all or parts of the state driver qualification requirements and are, therefore, not required to obtain a medical examiner's certificate

Examples of EA Drivers include:

- City, municipal, or state employed Commercial Driver's License holders
