# OSHA CONSULTATION SERVICES

NRLA has developed on-site OSHA consultation services for members who are in need of personalized OSHA compliance assistance. Members will be able to select the services they need from a menu and pay a price of \$595 for a half-day and \$995 for a full day of service. All travel and expenses are included in this price.

Dan Harrison, certified safety professional, will provide the consultation services to all Northeastern Retail Lumber Association members.

**NRLA members can choose from a variety of safety training courses and services, customized for the lumber and building materials industries.**

**Some of our most popular offerings include:**

- Forklift Operator Certification\*
- Boom Truck Operator Certification\*
- Flatbed Cargo Securement Certification\*

\* Each program includes employee wallet cards, a customized written program, and an Employees' Safety Manual. Plus, a Train the Trainer option is available, at no additional charge.

**Other popular options include:**

- Safety Audit
- Working Without Injury
- Safety Committee
- Safety Management

Remember, if you have a safety need or problem, NRLA's safety consultant, Dan Harrison, CSP, can solve it, and save you thousands of dollars in potential OSHA fines and legal fees.
