Dear Friends of the VRLDA,

As 2022 ends, the Vermont Retail Lumber Dealers Association is proud of the work we did in 2022 to support our members in these unprecedented time. We are asking for your support in 2023 to help us continue our efforts.

VRLDA reflects with pride on its accomplishments over the past year:

- We continue to provide a unified voice in Montpelier for our industry, and with the assistance of our lobbyist, we strive for fair, business friendly, and practical legislation within our state.
- Our golf/annual outing attracted over 90 attendees on a day full of fun and networking opportunities.
- Sponsored and supported the North American Young Lumber Employees (NYLE).
- We continue to offer, promote, and subsidize education, networking, and social opportunities for Vermont retailers, sponsors, and associates.
- Contributed to the LIFT Fund which provides financial and peer support to member employees impacted by a fire or natural disaster resulting in loss of shelter.

All of these accomplishments would not be possible without the support and monetary contributions from our Platinum and Annual sponsors.

If you have contributed to our efforts in the past, I sincerely thank you. If you have not yet become a sponsor of our organization, I would ask you to please consider becoming a partner.

The continued success of the VRLDA rests on your participation. Your contribution and support will help us to reach the goals of the independent retail lumber dealers throughout our state. Without the support of associates and sponsors like you, the VRLDA cannot provide the consistent presence and unified voice for our industry as a whole.

Thank you for your support.

Sincerely,

Jeremy Baker  
rk MILES  
VRLDA President
