December, 2022

Dear RLDAM Supporter:

On behalf of the RLDAM Board of Directors, I would like to thank you for your prior support of the RLDAM. 2022 continued to be a most unusual and challenging year in many ways! Through it all, the RLDAM Board has remained dedicated to the stewardship of our industry as we continued to meet to address our current needs and to plan for the future.

If you have not previously been a sponsor of RLDAM, we would appreciate your support now more than ever!

Our grassroots Legislative efforts continued throughout the year and still are producing results that benefit the lumber industry in Maine. We also offered subsidized educational opportunities remotely via the NRLA's online Learning Management System and Virtual Live Learning Platform. We were excited to bring back our famous in-person networking events in 2022 and look forward to continuing to bring the industry together safely in 2023!

These efforts and events would not have been possible without the generous financial support of our vendor sponsors. The quality and content of what we are able to offer our membership is a direct result of the financial support of our vendors. We understand it, you understand it, and we thank you for it.

Our 2023 sponsorship program offers three levels of participation: gold, silver, and bronze. Our goal is to provide value and distinction at each level of support. See the enclosed copy for details.

Please consider helping to ensure the future success of the RLDAM and our industry within the State of Maine. Thank you for your past, present, and future support!

Yours truly,

Joanne Tarr
