NRLA Education

Learning Management System
Supporting Your Employees Educational Goals,
While You Focus on Running Your Business.

The lumber & building materials industry is very expensive and requires constant self-education to effectively assist contractors with their projects. I believe that these courses are extremely helpful and necessary for anyone interested in further career development.

—Benjamin Galvez
Eldredge Lumber & Hardware Inc.

NRLA Can Even Manage the Training for You

Let the NRLA help you manage your employees' online training with individualized custom solutions.

- Evaluate Your Employee General Skills
- Develop Curriculum
- Facilitate Progress and Report Results
