LEGISLATIVE

Your VRLDA Legislative Committee is working for you!

Together with our lobbyist, VRLDA is aggressive with initiatives that support our members and the LBM Industry. As VRLDA builds on our industry recruitment initiatives, we are also focused on the following issues for 2023:

- Increasing in small claims allowances
- Simplifying municipal truck permitting

While we communicate with legislators throughout the year, we will also be meeting with them at our Bright Future's Legislative Breakfast and Job Fair event taking place on March 20th.

In addition to state policy, VRLDA is also supported by The American Building Materials Alliance (ABMA), powered by the NRLA, that actively advocates on behalf of our members on the federal level.

EDUCATION

VRLDA is extending the offer again to retail members or associate members who's headquarters are in Vermont for a Choices in Education and Training with a **\$1,000 subsidy** that can be used towards:

- Any VRLDA/LBMDA in-person seminar
- NRLA Learning Management System (LMS) Subscriptions
- NYLE Timber Tour, or
