

November 2023

Dear NYLILA Member,

2024 looks to be an exciting year for opportunity and growth. As we move forward, our goal is to continue offering outstanding benefits to our membership in education and training, legislative initiatives, scholarships, networking, and services. That is why your help and support is now more important than ever.

NYLILA is offering \$1,000.00 education incentive for it's retail members for any education offerings.

NYLILA is offering \$300.00 for retail members to attend the LBM Expo at Mohegan Sun in Uncasville, CT.

We also were able to continue philanthropic efforts, awarding two merit scholarships of \$2,000 for post-secondary education, and donating to the LIFT program for industry employees facing loss of shelter. Sponsorship support plays a significant role in our ability to conduct programs and valuable networking events. The quality and content of these events are a direct result of the financial support we receive from our associate members.

Please continue your support for our new local association by selecting the Premium Level membership category. Our motto has been and always will be to "support those who support us."
