December 2024

Dear Member:

The Rhode Island Lumber and Building Material Dealers Association (RILBMDA) sincerely thanks you for supporting our association. Your continued support and dedication has allowed our association to serve as a guiding light towards success for all lumber and building material dealers in this great state of Rhode Island.

Besides the tremendous camaraderie, the RILBMDA has developed a respected government affairs program, which has been a watchdog for our industry and continues to support scholarships for our member's families. The RILBMDA Local Benefits Package presents opportunities for networking and education, the scholarship program gives back to the RILBMDA community and the association works to promote the benefits of the independent lumber yard. We continue to host the Northeast's best attended state association-sponsored social event – our annual golf outing and clambake. Your continued participation ensures the ongoing success of these programs.

This letter pertains to the Local Benefits Package only. Your payment of \$450 covers the cost of one dinner attendee per meeting. Please submit payment by January 31. Additional employees are encouraged and welcome to attend at a charge of \$60 per person. The RILBMDA is pleased to provide our \$500 Choices in Education Subsidy and our Memorial Scholarship opportunities exclusively to companies enrolled in our Local Benefits Package. Retail companies enrolled in our Local Benefits Package will also have their name listed in our RILBMDA advertising with the Rhode Island Builders Association (RIBA).

RILBMDA will hold its first Dinner Meeting on Wednesday, March 26 followed by meetings held in May, June, September and October. Our famous Golf Outing and Clambake is scheduled for July 9. Our 2025 event calendar will end on November 21 with our annual Holiday Party. Also, new this year is our semiannual Facility Tour series, kicking off in January.

All meeting notices will be sent via e-mail only, so please make sure to update your email address on our website portal under your profile. If you have any questions, please contact our Event Coordinator, Kimberlee Freer at [kfreer@nrla.org](mailto:kfreer@nrla.org) | (518) 880-6366.

In closing, I would like to wish all members a happy, healthy, and most successful 2025.

Respectfully,

Steve Carreira, Humphrey's Building Supply
