December 2024

Dear Friends of the New Jersey Building Materials Dealers Association:

The NJBMDA Board of Directors would like to thank our loyal sponsors for their generous support last year!

Here are some highlights from 2024:

- Our PAC committee is tasked as our legislative arm to address common industry concerns on both federal and state levels.
- On our last visit to Washington D.C. in the Spring of 2024, we met with NJ leaders and discussed several issues involving the Softwood Lumber Agreement, Bonus Depreciation, CDL constraints affecting our supply chain, labor shortages, education subsidies, and credit card swipe fees.
- In Trenton, we've been extremely active on the electrification of businesses and our operations involving zero emission trucking set to begin in phases this coming 2025.
- Our "Action Email Alerts" have been effective in increasing awareness on these topics and fortified by our recent visit to Trenton last summer.
- Supporting the LIFT fund program which is a disaster relief dollar payout to member employees who experience a loss of shelter.
- \$1,000 educational incentive for dealer members to be used toward any education program.
- Sponsoring the North American Young Lumber Employees group (NYLE), which is comprised of enthusiastic and dedicated young professionals committed to developing their own potential while promoting the continued success of the LBM industry.
- A subsidy of travel & hotel credits with unlimited show entry badges to help increase attendance at this year's LBM Expo 2025 at Mohegan Sun, CT. for all NJ dealer members.
- Educational scholarships for industry members' children.
- We will continue to present several social events which provide excellent opportunities for networking: Regional Dinner Meeting, Annual Golf Outing, & Annual Meeting.

Today, we ask that you please support **our PAC so that we can continue making relationships in addressing NJ industry concerns**. Your financial commitment will help subsidize our efforts to allow us to continue the traction we've gained especially with the upcoming 2025 NJ Gubernatorial Race later this year.

It is our goal to provide value to you, our sponsors, and encourage all dealer members to participate within the organization throughout the year. We ask for your continued support again in 2025.

Please see the attached form for your reference.

On behalf of the NJBMDA Board of Directors, thank you.

Sincerely,

TJ Shaheen, President
New Jersey Building Materials Dealers Association
