December 2024

Dear Associate Member:

Many of NRLA's associate members sponsor more than one state and local association. We appreciate your dedicated and continuing support of these organizations. Your support enables the regional associations to:

- Subsidize educational opportunities for members.
- Offer college scholarships to family of member employees.
- Support State and Federal legislative efforts; and
- Offer social events providing excellent networking opportunities.

Associate members have asked the NRLA to provide one registration form listing all state and local sponsorship opportunities. The enclosed form is a list of state and local associations with their corresponding sponsorship opportunities and the registration form for your use. This form may be used when sponsoring multiple state and local associations. Please note this form is NOT in addition to the sponsorship letters you may be receiving from each association, but rather a way to streamline the sponsorship of multiple state and locals.

We hope that this form is useful, however, you do not have to use this method for multiple sponsorships. You may, of course, continue to complete and submit individual sponsorship forms as they are sent to you.

Thank you again for your support!

Sincerely,

Stephen Ciccone
