

12/2025

EBMDA Sponsorship

The LBM industry has always been an industry built on relationships, and one of the most critical of these, is the dealer – vendor relationship. Building products dealers and vendors are interdependent from the most basic level of material and services supply and usage, to the long-term success of both parties, and the growth of the industry in general. Our affiliation with the NRLA in January of 2017 expanded the member benefit portfolio dramatically for both dealer and associate members. As a result, we have been on a growth path, and this trajectory is expected to continue in 2025 and beyond.

Sponsorship from organizations like yours is critical to the continued health and well-being of the EBMDA. We need support from our vendor partners in order to continue to deliver relevant benefits and provide quality, networking experiences to our membership.

By becoming an EBMDA sponsor, you will have the opportunity to connect both personally and professionally with owners, operators, and decision makers via networking events, and stay top-of-mind with access to our social media sites by sharing the innovation and experience that sets your company apart. Most of all, EBMDA sponsor organizations become a part of the EBMDA community, and as such, are held above other vendors and considered true partners by our membership.

In 2024 we held two successful member events. Our Axe Throwing event in March and Topgolf Social Event in September.

We appreciate the underlying support for the foundational purpose of the EBMDA of every one of our sponsors and invite you to join us in 2025 by sponsoring with the link provided in the attached form!

Should you have any questions, feel free to contact me at (215) 444-5810 or the EBMDA at (800) 292-6752.

Thank you,

Dan Chelli
