

On behalf of the North American Young Lumber Employees (NYLE), I would like to thank you for your support in 2023-24, we greatly appreciate your contributions as a former or potential NYLE Member.

Your company's membership enabled NYLE to continue to work toward its goal: to ensure that the future leaders of our industry are well prepared to meet and overcome the challenges they are likely to face in the 21<sup>st</sup> Century. NYLE continues to provide valuable educational conferences and tours to NRLA members, and your membership helps us accomplish this!

Please note that although our programs are geared towards promoting the youth of the industry, they are open to all NRLA members regardless of age. Your support through participation in our events is greatly appreciated.

If you have any employees who you feel would benefit from the networking, leadership, and management skills that NYLE is dedicated to fostering, please consider sending them to our events.
